How can I give good advice to my friends as a teen? Listen actively, be empathetic, and offer support without judgment. Sometimes, suggesting they talk to a trusted adult can also be helpful. What are signs that a friend's advice might be unhealthy or manipulative? If the advice makes you feel pressured, guilty, or uncomfortable, or encourages harmful actions, it may be unhealthy. Trust your instincts and seek guidance. How can I balance giving advice and respecting my friend's independence? Offer support and suggestions without forcing your opinion. Respect their choices and let them know you're there for them regardless. What resources can teens use when seeking advice beyond friends? Consider talking to school counselors, trusted adults, mental health professionals, or reputable online resources designed for teens.
